

December 14th, 2020

Dear Residents, Families and Staff,

I regret to inform you that we were notified that two employees in our licensed areas have tested positive for COVID-19.

We have notified public health officials as required and continue to follow procedures recommended by the CDC and local health department. We are taking every step as recommended by authorities to contain the spread.

We continue the following:

- In Strickland Place, Arborview and Asbury Place, communal dining and activities remain suspended at this time.
- Visitation for Asbury Place will remain suspended at this time. All residents began isolation precautions on December 11, 2020.
- Visitation for Strickland Place will remain outdoors, with the exception of residents residing on the 500 and 800 halls. Those visits will be suspended for now.
- Visitation for Arborview remains suspended at this time.

We will update you via e-mail as well as on our website, [www.arboracres.org](http://www.arboracres.org).

Sincerely,

A handwritten signature in black ink, appearing to read "Andrew Applegate", is written over a light gray rectangular background.

Andrew Applegate
