**Piedmont Opera  
and Arbor Acres Present  
Pauline Viardot's**

## Cinderella

**Sunday, March 21 2:00 PM**  
**Virtual presentation on TV 1390 only**  
**Not available on Wellzesta**

You are admitted free via TV 1390 for this virtual performance!

Piedmont Opera will present a fairytale for the whole family, *Cinderella*. Instead of a stepmother, this story has a foolish baron and his two vain daughters, both after the Prince. Marie, who they call "Cinderella," is left behind as they all accept an invitation to the Prince's Ball. Hearing her sad song, her fairy godmother appears and promises to make Cinderella's dreams come true. A mysterious stranger appears at the ball, and she and the Prince fall in love at first sight, but will he be able to find her again when she runs away at midnight?

Pauline Viardot's *Cinderella* is a re-telling of the well-known fairytale, composed in an operetta style that combines musical numbers and dialogue. Madame Viardot wrote it to be performed by her voice students in her Parisian salon. Now, it will be livestreamed to yours!

*Piedmont Opera proudly announces that this is the first opera composed by a woman that the company has produced.*
